**LIST OF ATTORNEYS  
CONSULAR DISTRICT OF OSLO  
(AS OF FEBRUARY 2007)**

The Oslo Consular District comprises all of Norway, the island of Jan Mayen and the archipelago of Svalbard.

Registered mail may be sent through the Norwegian postal service and return receipts obtained. International reply coupons should be used when it is desired to prepay a reply.

Credit reports are usually obtainable through commercial banking institutions in the United States which have correspondents in Norway or through a commercial reporting agency such as Dun & Bradstreet, Inc.

There are two types of lawyers in Norway. An Advokat (adv.) may plead cases in the Lower Court and the Superior Court. An Advokat (H) may plead cases in the Lower, Superior and Supreme Courts. All attorneys on the list are members of the Norwegian Bar Association (Den Norske Advokatforening) and are not permitted to accept cases on a contingency basis. All have received their training at the Universities of Oslo, Bergen or Tromsø.

In Norway Notary Publics are not attached to private law offices or commercial establishments of any kind. Notarial functions are performed by certain government officials such as Sheriffs, Judges and Deputy Judges.

The U.S. Embassy Oslo assumes no responsibility for the professional ability or integrity of the persons or firms whose names appear on the following list. The names listed under each city are arranged alphabetically, and the order in which they appear has no significance.
