

Student Video Diary

Do YOU want to film your experiences as a student in the U.S?

- We give you a video camera (for you to keep when the project is over)
- You film some of your experiences and moments as a student in the U.S.
- You upload short clips to our Facebook group (USAstudier) when in the U.S. for friends and others to watch
- In May/June 2009 you submit 45-60 minutes of film for us to use in our Educational Exchange information video

Who?

- Norwegian students going to the U.S. to study (high school, college or university) from the fall of 2008
- A willingness to commit to uploading videos to our Facebook group during the year and to submitting 45-60 min. of film to us in May/June 2009

What do you have to do?

- Send a project description to ksfstad@usa.no with a suggestion about how YOU want to do your video diary
- Include: name, address, date of birth, e-mail, phone number, and all the details you have about your stay in the U.S. (where, when, what)
- **Deadline: July 4, 2008**
